### **DETAILED ACTION**

This action is in response to Applicant's amendment filed on 04 March 2008. Claims 1-6, 9-20, 22-31, 33-40, 42-49, and 51-57 are now pending in the present application. This action is made FINAL.

#### ***Claim Rejections - 35 USC § 112***

1. The following is a quotation of the first paragraph of 35 U.S.C. 112:

The specification shall contain a written description of the invention, and of the manner and process of making and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the same and shall set forth the best mode contemplated by the inventor of carrying out his invention.

2. Claims 1, 15, 26, 33, 42 and 57 are rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. The claim(s) contains subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention. Specifically, the amended claims contain the limitation "unknown readiness," for which no support is found either in the specifications or claim language in previous presentation. The above new limitation constitute new matter, Since it is not clear and adequately disclosed what constitute "unknown readiness".

The applicant is welcome to point where in the specification, support for said limitation is found.

Rejection of subsequent dependent claims 2-6, 9-14, 16-20, 22-25, 27-31, 34-40, 43-49, and 51-56 follows accordingly.

***Response to Arguments***

Applicant's arguments with respect to claims 1-6, 9-20, 22-26, 27-31, 33-40, 42-49, and 51-57 have been considered but are moot in view of the new ground(s) of rejection.

***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a). A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action
